

Dairy Research Cluster 4

LETTER OF INTENT

In partnership with DairyGen and Novalait

1. Principal Investigator

Name:

Position:

Institution:

Phone:

Email:

2. Co-investigator(s)

Each co-investigator must have accepted to be part of this proposal (please list all names and institutions).

Name(s) and institutions(s):

Name(s) and institutions(s):

3. Title of the proposal

4. Targeted industry partner and priority(ies)

Dairy Farmers of Canada

DairyGen

Novalait

Targeted research priority(ies):

5. Duration of the proposal

Start Date:

End Date:

6. Requested total budget (estimate)

\$ (Refer to the Call for Letters of Intent for the maximum budget allocated based on targeted partners)

Budget details (including other sources of funding, if any):

7. Lay summary

Outline the main objective of the proposal, why this proposal is important for the dairy sector and the expected outcomes.

8. Background, specific objectives and description of the proposal

Summarize the context and rationale, including ongoing research in the area, and describe briefly the specific research objectives and the experimental approach to be used.

9. Relevance of the proposal according to industry partner(s)'(s) research priorities and AAFC AgriScience program priority areas

Refer to the appendix of the call for Letters of Intent for all priorities.
