

Nutrition Research Funding Program

LETTER OF INTENT

Please read the Guidelines before completing the form.

1. Principal Investigator:

Name and Title:

Institution:

Full Address:

Phone:

Email:

2. Co-investigators and Collaborators: (please list all names and institutions)

Each co-investigator and collaborator must have accepted to be part of this project.

Name(s) and institutions(s):

Name(s) and institutions(s):

3. Project Title:

4. Lay Summary:

Outline the main objective of the project and why it is important to the dairy sector.

5. Background:

Summarize the context and rationale for pursuing the project, including 3 to 5 references.

6. Specific Objectives:

7. Experimental Approach:

Describe briefly the experimental design and methods to be used, and available facilities and equipment.

8. Team Expertise:

Include the role of each team member and collaborator.

9. Alignment of the Project with DFC's Research Priorities and the Significance to the Dairy Sector:

Refer to the Appendix of the program guidelines.

10. Expected Outputs/Deliverables and Innovative Aspects of the Project:

Outline the potential results and the implications for dairy products. In case of new uses of dairy products or new technologies, provide a short discussion of economic feasibility.

11. Opportunities for Knowledge Transfer and Translation:

12. Duration of the project in years (check one):

1

2

13. Budget:

	Year 1	Year 2
Budget Requested from DFC:		

	Year 1	Year 2
Other Sources:		

	Year 1	Year 2
Total Budget Per Year:		

Total All Years:

Description of the main budget items:

Other sources (Describe other expected sources and specify which objectives/parts would be funded by the other sources):

14. Please provide a minimum of 6 external reviewers who would be qualified to review your Grant Proposal and who have no conflict of interest with the Principal Investigator or Co-investigators and have not collaborated with the Principal Investigator in the past 6 years.

(Full name, institution, area of expertise and email are required.)

Literature cited:

Submit by email at dairyresearch@dfc-plc.ca after completion.
