

Nutrition Research Funding Program

LETTER OF INTENT

Please read the
guidelines before
completing the form.

1. Principal Investigator:

Name and Title:

Institution:

Phone:

Email:

2. Co-investigators and Collaborators: (please list all names and institutions)

Each co-investigator and collaborator must have accepted to be part of this project.

Name(s) and institutions(s):

Name(s) and institutions(s):

3. Project Title:

(The title should reflect the main objective of the project.)

4. Lay Summary:

5. Background:

Summarize the context and rationale for pursuing the project, including 3 to 5 references and key ongoing research in the area.

6. Specific Objectives:

7. Experimental Approach:

Describe briefly the experimental design and methods, and available facilities and equipment.

8. Power Calculation and Sample Size Justification:

9. Team Expertise:

Outline the role of each team member and collaborator.

10. DFC Research Priorities Targeted:

Referring to the Appendix of the program guidelines, identify the priority(ies) targeted and how the Project is addressing it (them).

11. Expected Outcomes and Significance of the Project for the Dairy Sector:

Outline the potential outcomes, the implications for dairy products and the significance for the dairy sector. In case of new uses of dairy products or new technologies, provide a short discussion of economic feasibility.

12. Opportunities for Knowledge Transfer and Translation:

13. Budget:

	YEAR 1	YEAR 2	TOTAL
Total Project Budget:			
Personnel:			
Material and Supplies:			
Travel:			
Other Expenses:			

Requested from DFC:

Requested from Other Sources:

Description of the main budget items:

Other sources (Describe other expected sources and specify which objectives/parts would be funded by the other sources):

14. External Reviewers:

Please provide a minimum of 6 external reviewers who would be qualified to review your Proposal and who have no conflict of interest with the Principal Investigator or Co-investigators and have not collaborated with the Principal Investigator in the past 6 years (full name, institution, area of expertise and email are required).

15. Literature cited

Submit by email at dairyresearch@dfc-plc.ca after completion.
